

Welcome, to our small town we call home of Metropolis, Illinois. While you are here visiting our small town this guide will help you find not only our list of our members of the Chamber but all shopping, dining and events happening in our local community. Our small town is filled with many locally owned businesses and some large corporations also.

We find pride in our town and our community. We hope you enjoy your visit and appreciate it as much as our locals do. We are known for our welcoming and friendliness. As you visit the area you will find a smiling face, a friendly wave or a helpful local to guide you in the right direction no matter where you go.

We do get recognized of course, for our town being the home of Superman so please enjoy our "Welcome To Metropolis" sign as you enter our town on 5th Street and our Superman Statue located on the square. Please take a picture for a memorable time in our small town.

Thank you for visiting and supporting our community. We hope you enjoy your time here and share your small town memory with a friend when you arrive back home. Thank you for stopping in and please don't be a stranger, hope to see you soon.

Sincerely,

Kelly Lunsford, President
